Board President's Message

As my term as President of the Board of Trustees comes to an end this November, I want to communicate my thanks to all the CLS supporters, the faculty and staff and our administrator principal the last nine years, Mr. Bronson Jones, as well as the school families and the FPP organization, the Westminster Conference of Lutheran churches, and the members of the Board of Trustees. God has indeed blessed us again and again through all the aforementioned people working for the ministry of CLS and in concert with one another; because of that, the doors to learning opportunities at CLS continue to be open! We are very thankful for our new administrator, Mrs. Karen Ganjon, who brings a wealth of experience to CLS. We have much to be thankful for and many of the things that occur at CLS on a daily basis are most impressive and equally touching!

Thanks so much for your partnerships with us! Carroll Lutheran School is a precious gem in our community and a witness to the love of God proclaimed through word and deed!

In Christ's name,
Pastor David Schafer, President, Board of Trustees

New Administrator's Message

As of July 1, 2013, we welcomed Mrs. Karen Ganjon as our new school administrator.

It is a pleasure to bring you greetings as the new administrator of Carroll Lutheran School (CLS). The school year is off to a great start. Without a doubt, our mantra holds true because our students and staff make it real each day:

Christian Compassion ~ Lifetime Learning ~ Social Responsibility

I am proud to be part of such a wonderful learning community and look forward to a productive school year.

FPP President's Message

The Family Partnership Program for CLS is a great organization to be involved with. There are many fundraisers that are held over the course of the school year; the three major ones are the Consignment Sale, Basket Bingo, and the Golf Tournament. The total money raised from these three alone equaled \$23,200. Other fundraisers the school held was an iPad raffle, a "Girl's Night Out" and a Gianni's Pizza and Mixed Bags sale. We have used the funds to update computers and software for the school, purchase document camera for the classrooms and more racks to hang clothing at the consignment sale. I want to thank everyone who supported the FPP throughout the 2012-2013 school year; your help was greatly appreciated.

~ Nikki Welch, FPP President
