Board President's Message ~ Hermine P. Saunders, Ph.D.

As I write this article, Carroll Lutheran School is beginning its 15th anniversary year with the 2014-2015 school year. All of us connected with the school are grateful to God for His mercies in bringing the school to this milestone.

Fiscal year 2013-2014 has been one of momentous challenges and accomplishments. I want to thank all our constituents for the work they have done to bring us to our 15th anniversary year. First and foremost, our parents and students who place their trust in CLS deserve our greatest thanks for recognizing the strength of the school's educational and faith-based foundation in learning. And that strong educational and faith-based foundation can be attributed to the leadership and preparation by the finest administrator and staff assembled in our beautiful building. Let us be thankful for all of them who make the school a place where God is honored and academics are promoted.

In addition to these groups, I want to thank our generous donors for helping to establish a stronger financial base upon which to build for the future. Without your continued support CLS could not operate successfully, since tuitions cannot possibly cover all expenses foreseen and unforeseen. On behalf of the Board, I ask you to continue your generous giving to keep CLS financially competitive and strong.

Speaking of the Board of Trustees, I would be remiss if I did not thank Board members for their time, talents and treasure so generously given over this past fiscal year to see that Carroll Lutheran School remains strong in faith and mission to educate the whole child. Committee chairs and members of the committees have been active participants in every aspect of the school—marketing/PR, philanthropy and grants, church relations, finance, facilities management, governance/HR, and nominating. To all involved in these endeavors I say thank you.

Thank God from whom all blessings flow, for our constituents, and for our churches who make CLS a great school!

CLS Annual Report 2013-2014

Administrator's Message ~ Karen E. Ganjon

On September 2, we opened our school doors and greeted 103 students at Carroll Lutheran School to begin the 2014-2015 school year. We welcomed 34 new students, 10 new staff, and many of our former students, families and staff. In addition, we added our CLS before and after care program to support our families who needed that service.

Our CLS rigorous, faith-based educational program is evident throughout our building. Students are engaged in lessons that require them to think, problem solve and to be creative. Subjects taught include opportunities for students to show what they know and are able to do in a variety of ways. The environment is one of mutual respect: we celebrate Christian compassion, demonstrate a love of learning and develop social responsibility.

Chapel services take place each Wednesday. Visitors are always welcome to attend. CLS encourages families and community members to volunteer in our wonderful place of learning where the love of Christ is proclaimed through the integration of faith and life.

All faiths are welcome!
