KID'S CONSIGNMENT SALE CONTRACT

FEBRUARY 11, 2017

***** Please Read Completely*****

Consignor Number _____

Clothes and other sale items will be accepted and/or rejected at our discretion. Any item that is rejected will have a red line marked through its tag and will be put on an "as is" rack.

1. Items are sold on a 60/40 basis. Consignor will receive 60% and Carroll Lutheran School will receive the remaining 40%.
2. Consignor will hang, package, tag, price, and **SORT** each item for sale. Items should be priced in \$.50 increments.
3. Carroll Lutheran School is not responsible for damage, loss or theft of any merchandise. Any items that have lost their tags will be donated to Carroll Lutheran School. **Consignor is responsible for ensuring that tags are securely attached and the consignor's number is written clearly on the bottom portion of the tag. While we make every effort to match lost tags with items we will not be held responsible for untagged items.**
4. **Consignor is expected to pick up any unsold, white tagged items between 2:30 – 3:30 p.m. on Saturday, February 11, 2017. Items not picked up will be considered a donation to Carroll Lutheran School promptly at 3:30 p.m.**
5. **All yellow tagged items will be considered donated items at the end of the regular sale and will not be returned to the consigner.** Your donation of clothes/equipment is *very much appreciated* and will be sold during the ½ Price Sale – all proceeds of the sale will go towards Carroll Lutheran School's technology fund.
6. Payment will be made by check and will be mailed to you in your self-addressed stamped envelope. If your portion (60%) of items sold results in a total earning of \$5.00 (five dollars) or less, the amount will be donated to the school. Please allow approx. 3 weeks for your check to arrive. If a check is not received by a consignor, the consignor is responsible for contacting Carroll Lutheran School. After it has been confirmed that the check was not cashed or received by the consigner or has not been returned in the mail, then a new check will be processed.
