

## *Coffee Blend Descriptions*

<b>CLS Blend</b>	<p>This Central American coffee has an earthy taste with a complex, medium tone and a smooth finish. This coffee is sourced from a women's cooperative in Guatemala, empowering these women to provide for their families with regards to education, housing and medical care.</p>
<b>Sumatran</b>	<p>A full-bodied, satisfying taste with a smooth finish. These beans come from a co-op that is owned by a group of widows doing their best to provide for themselves and their families.</p>
<b>Black Diamond</b>	<p>One of our boldest, darkest blends of South American and Asian coffees. It is blended in honor of Erin's Grandma, who grew up a block from the Lehigh Valley Railroad. The Black Diamond train came through her town twice a day. This blend has a bold, awakening taste that reminds one of days gone by. All aboard!</p>
<b>South American Decaf</b>	<p>A medium roast. Remarkable creamy body with citric acidity. Brown sugar and chocolate tones. Smooth feel. This decaf blend was recently awarded the best in North America.</p>
<b>Harvest Blend</b>	<p>This delightful blend is a combination of beans from three continents. Its smooth, robust swallow has an earthy taste sure to please your palate.</p>
<b>Christmas Blend</b>	<p>Christmas Blend is a combination of coffees from two continents. It has a smooth finish with hints of chocolate and citrus. It reminds us of the Christmas spirit, and is delightful as an after-dinner drink with dessert, or just as a dash of energy between holiday festivities.</p>
