

Just a few notes;

Music lessons will start on Thursday, September 14th for returning students. Please have your child bring all music and his/her instrument for this first lesson. Teachers will have the schedule on Wednesday, September 13th.

Again this year, students **will not** be able to call parents if they forget their instrument. There will be a lesson each month – during recess – for students to make up the lesson they have missed. I feel this responsibility is an important part of learning to play an instrument. **Tips to help you!** – have the student keep his/her instrument in the same place every day after practice – (near the door, by their backpack, write a note, etc.) I will make an afternoon announcement **every** Wednesday to remind them.

All students are responsible for making up missed class work. If something is being presented in class that a student cannot miss, they should come to me first thing in the morning and I will reschedule their lesson. The teachers at CLS are very supportive of the music program, and we need to do our part to keep a positive relationship going.

I am excited as always to be starting another year at CLS. We have the most incredible students and parents, it makes teaching here a joy. If you have any questions, please contact me by phone: 443-929-8390, [wiredpugs@yahoo.com](mailto:wiredpugs@yahoo.com) or leave a note in my school mailbox.

Thank you,

Theresa Wire

**Please return by Tuesday, September 12<sup>th</sup>.**
