Dear Mrs. Brozik,

On behalf of the students, staff, and parents of Carroll Lutheran School, I extend my sincere appreciation for your willingness to organize and implement the Black-Eyed Susan Program for our students.

You went "above and beyond" to create a celebration that included media center decorations, a luncheon for students and their families, book discussions, certificates, and gifts for the students. It was an outstanding opportunity for the students!

The following students were recognized for their participation:

Read all 10 books

Glenn Durboraw  
Sophie Gilbert

Read at least 3 books

Kallie Gilbert  
Alyssa Meyers  
Coley Ross  
Caroline Sewell  
Cole Tate  
Chase Wagner  
Abbi Yaider  
Ellie Yaider

Joyce, thank you for having the students vote on their favorite Black-Eyed Susan books. Students in grades sixth through eighth selected Far Far Away as their favorite book and the fifth grade students selected This Journal Belongs to Ratchet. I know you submitted their nominations to the State. I cannot wait to see the statewide favorite Black-Eyed Susan books later on this month.

Again, Joyce, thank you. Well done, good and faithful servant.

Sincerely,

Karen E. Ganjon  
Administrator
